

## ATTACHMENT A SPECIAL CONDITIONS

1. Duro Textile Printers shall have an Operation and Maintenance manual in accordance with 314 CMR 12.04 by April 1, 2008.
2. Duro Textile Printers IWPS shall meet the requirements outlined in 314 CMR 7.05(2)(g)(3), which includes engineering plans (of the IWPS) reviewed, stamped and signed by a Massachusetts Registered Professional Engineer (MAPE) with the appropriate specialty by July 1, 2008.
3. This Permit expires five (5) years from the date of issuance. Duro Textile Printers shall apply for a renewal of this Permit at least 90 days prior to the expiration date in accordance with 314 CMR 7.09 (3)(b).
4. This Permit is subject to obtaining approval of any other applicable federal, state or local authority that may have jurisdiction.
5. The wastewater discharge from Duro Textile Printers shall be in compliance with EPA General Pretreatment Regulations for Existing and New Sources of Pollution (40 CFR, Part 403) and all applicable SUBCHAPTER N-EFFLUENT GUIDELINES AND STANDARDS, the City of Fall River's Sewer Use Ordinance and Industrial Pretreatment Program (IPP), any Industrial User Permit issued to Duro Textile Printers and the local effluent limitations established therein. The most stringent limitations shall prevail.
6. Concentrated chemicals and hazardous materials are prohibited from being discharged to the sewer.
7. No person owning, maintaining or using a sewer connection shall discharge or allow the discharge of wastewater through such connection which would result in a hazard to the public health or safety or a violation of the provisions of 314 CMR 7.00 or 12.00.
8. All solids, sludges, filter backwash, or other pollutants removed in the course of treatment or control of wastewaters shall be disposed in a manner consistent with applicable Federal and State laws and regulations including but not limited to, the State and Federal Acts, the Massachusetts Hazardous Waste Management Act, M.G.L. c. 21C, and the Federal Resource Conservation and Recovery Act, 42 U.S.C. s. 6901, et seq. 310 CMR 19.00 and 30.000, and other applicable regulations.
